A Dector Reported Her Death as Due to Heart Failure.

But She Was Shot While Sitting at a Window. .

Mrs. Bridget Hammond, of 237 East Twenty-fourth street, who was reported by Vanderpool, of Fourth avenue and Twenty-fourth street, to have died on the nermoon of July 4 from heart failure, was

due to a pistel-shot wound in the back. Mrs. Hammond was sixty-three years old. she lived with her husband, Thomas Hamnd, in a house between 257 East Twentyfourth street and 236 East Twenty-fifth eet. The entrance is through 237 East

On July 4 all the children, six boys and one girl, went to the races. Mr. Hammond went downtown and Mrs. Hammond was left alone. In the afternoon she visited Mrs. Ellen Farwho lives on the second floor, and when the accident to Mrs. Hammond occurred the two aged women were looking out or a winsow in the sitting-room, on the East Twenty-

fourth street side. Back of the sitting-room were two small edrooms, each containing one window and a

door leading to the sitting-room. The doors and windows were open, and from the position Mrs. Hammond occupied it s evident that the shot came through one of

"I think it was between 2 and 3 o'clock in the afternoon when Mrs. Hammond came up to see me," said Mrs. Farley to an Evening

World reporter this morning.
"I was sitting on a sofa and she took a chair close enough for us to talk easily. We were both looking out of the window towards Twenty-fourth street. There was a fearful racket from the shooting and we were

"About ten minutes after Mrs. Hammond came up she leaned toward the window to look at something, and placed her hand on a Bible on the table to stendy herself, she spoke my name, and I was leaning forward to sear her when there was a hissing noise, and Mrs. Farley fell forward crying

"'My God, I'm shot. I'm killed." "I thought she had been shot in the breast through the window we were looking out of,

NEWARK, N. J., July 6.-Robert Alden Fales, the sixteen-year-old murderer who was sentenced yesterday afternoon by Judge Denue to be nanged Aug. 11, passed a restrut night in the Essex County Jall.
This morning he was in his usual good

spirits, and the fact that he is under the shadow of the gallows did not seem to dis-

Since his conviction Fales has more than once expressed a wish to die on the games once expressed a wish to die on the games. His lawyers say, however, that they are a modent he will not be executed. They have already begun to prepare the measure papers for a pardon or a commutation of the death sentence.

H. Clay Miner's business representative went down to the race track at Sheepshead lay on Saturday and placed \$1,000 on Tammany for Mr. Miner. The gentleman got three to one, and the lucky Miner pocketed and on a self. She orward to "East Lynn" for so very many years that the "oldest inhabitant" has probably criticated her performance, still weeps every time she plays the part of the melancholy mine. Oldes, and the lucky Miner between the plays the performance, still weeps every time she plays the performance still weeps every time she played to the performance still weeps every time she played to the performance still weeps every time she played to the performance still weeps every time she played to the performanc

but couldn't find any bullet-hole. I teid Bridget she was just scared, but she couldn't answer me, and when I let go of her she fell to the floor dead.

"I don't know what I done, but I guess I yelled, and pretty soon a doctor came. I the actor promptly declared that he could him what had happened and he said she had died from heart failure on account of the fright."

This opinion it seems, was accepted and the body was removed to Mrs. Hammond's rooms. The wrapper she wore was removed without the blood stains being seen and there was no suspicion of the real cause of death until Waiter Hammond, a fitteen-year-led son of the dead woman, discovered the blood on the wrapper and then the bullet hele.

He sent word to the police, and Capt, Gallagber notified the Coroner.

The house directly back of the Hammond home was occupied by Mrs. Realey, a boarsing-house keeper, she stated this morning that therewas so much noise on the atternoon of the Pourt hat she could not tell whether any of her boarders were shooting from the up-
